ABOUT US

Wellnest has been a trusted resource in our Los Angeles community and beyond 99 years. Through a holistic approach to emotional well-being, Wellnest offers hope, healing, and opportunity to the children, young adults, families, and communities we serve. Our commitment remains steadfast as we enter our second century of service.

It's our vision that everyone has access to the support services needed to achieve the emotional well-being critical to reaching their full potential.

ABOUT THE COMMUNITY WELLNESS CENTER

Funds raised from this event will benefit The Community Wellness Center (CWC), a unique community-based project that will simultaneously address emotional and physical health by equitably increasing access to behavioral health, health and substance abuse services for vulnerable children, youth, and young adults living in South Los Angeles.

ABOUT THE EVENT

This year's tournament will be hosted at the beautiful and serene Friendly Hills Golf Course

This course is regarded as one of the finest and most challenging golf courses in Southern California. The course begins with a 567-yard uphill par-five which is flanked by bunkers and a scenic creek. Once players reach the green, the real fun begins as the green is a large two-tiered green, making a two-putt very difficult. The finishing 18th hole requires a straight tee shot to avoid the lake on the left. The second shot will likely require the player to either draw or fade the ball to avoid a beautiful strategically placed pine tree which looms in the middle of the fairway. The combination of hazards and undulating terrain gives the course a 71.5 rating with a slope of 136.
