CENTENNIAL
CELEBRATION

FRIDAY, SEPTEMBER 27, 2024 • SKIRBALL CULTURAL CENTER

Through a holistic approach to emotional well-being, Wellnest offers hope, healing, and opportunity to the children, young adults, and the families we serve. With a team of expert and caring professionals, we annually deliver behavioral counseling, mental health support and housing services combined, to more than 200,000 children, young adults and their families.

Join us in a century of Wellnest magic, transcending the heart of Los Angeles and beyond. Embrace the celebration at our gala, where you'll weave your story into our tapestry of a future where emotional well-being is a universal treasure, unlocking boundless potential for all.

Funds raised from our Centennial Celebration will benefit The Nest on Jefferson Community Wellness Center.

The Community Wellness Center will fulfill a critical need. Nestled on the ground floor of The Nest on Jefferson, this innovative center is part of a 55-unit Permanent Supportive Housing project, specifically designed for young individuals aged 18-25. Beyond its walls, the center extends its impact, offering crucial behavioral health and health services to children, youth, and families residing in the surrounding community.
