CENTENNIAL  
CELEBRATION

FRIDAY, SEPTEMBER 27, 2024 • SKIRBALL CULTURAL CENTER

Through a holistic approach to emotional well-being, Wellnest offers hope, healing, and opportunity to the children, young adults, and the families we serve. With a team of expert and caring professionals, we annually deliver behavioral counseling, mental health support and housing to more than 4,200 children, young adults and their families.

Join us in a century of Wellnest magic, transcending the heart of Los Angeles and beyond. Embrace the celebration at our gala, where you'll weave your story into our tapestry of a future where emotional well-being is a universal treasure, unlocking boundless potential for all.

## Funds raised from our Centennial Celebration will benefit The Nest on Jefferson Community Wellness Center.

The Community Wellness Center will fulfill a critical need. Nestled on the ground floor of The Nest on Jefferson, this innovative center is part of a 55-unit Permanent Supportive Housing project, specifically designed for young individuals aged 18-25. Beyond its walls, the center extends its impact, offering crucial behavioral health and health services to children, youth, and families residing in the surrounding community.
