

Are you feeling sad, depressed or alone? Your mental health matters.

We are here for you.

Your safety, dignity, and emotional well-being matter deeply to us. Wellnest is committed to ensuring that every child and every family member have access to quality emotional health services. No one will be turned away due to financial inability, legal status, or because of fear, uncertainty, or circumstances beyond their control.

Emotional Health and Wellness Support

All Wellnest services are confidential. Virtual appointments available. In California, immigration status does not affect Medi-Cal benefits for children under age 19. Children may qualify for full Medi-Cal benefits, regardless of immigration status.

Call 323 -766-3245 M-F 8AM-5PM and a Wellnest representative can help you and walk you through the process online of applying or reinstating your Medi-Cal.
